

Boulder Carpet Cleaning and Pet Stain Removal Service

Steam carpet cleaning service in Boulder, CO, by industry leader Flatirons Carpet and Rug Cleaners. Eco friendly, green products used for your home, or commercial, and office buildings.

If you need carpet cleaners for pet stain and odor removal, including dog, cat or any other animal urine or feces, our steam carpet cleaning can freshen your carpets and remove odors. We offer stain removal service on upholstery, chairs, couches, etc., too. We will help your house be so clean, no one would know there was stains or odors on the carpet.

After our expert carpet cleaning, general wear and dirt stains will be gone, leaving a brightness everyone will be sure to notice. We offer the highest level of clean and will vacuum all carpets, even using the extension for the edges to ensure there is no dirt left behind.

If you do have pets or kids, our green eco friendly carpet cleaning products are perfect because there will not be any toxic chemical residue from our process. You will have fresher, healthier carpets for you and your loved ones.

We also professionally clean rugs in any size. Do you have hardwood floors, rugs and carpets in your home? If so, we can clean them all. Your home and family will be able to breathe easier with cleaner floors. Carpets and rugs can harbor lots of dirt and germs, but we are eco friendly carpet cleaners so all you will smell is clean, not the cleaning products.

Our professional carpet cleaning service is unparalleled because we are prompt to respond and on time. Additionally, we offer a free estimate for any job. See the "About Mike" tab for more info on Mike and Flatirons Carpet.
