

Boulder Water Damage Restoration Clean Up Service

We offer professional water and flood damage restoration and clean up in Boulder, CO. We, at Flatiron Carpets, will help clean up and restore your carpets and floors.

Water and flood damage can be not only costly, but if not cleaned promptly can lead to bacteria, germs and mold growth. When cleaned up quickly, your floors and carpets can be restored to fresh and clean again. Water damage carpet cleaning can save your carpets and save you the cost of replacing them.

We offer free estimates because we know water damage can be extensive and you want to know how much the cleaning will be before a job begins.

Our water damage repair includes extracting the water from your carpets and floors, then using our top quality products to clean and remove odors. Your carpets and floors just might look better than before when we are done!

If you had damage to couches, chairs or other upholstery, we also offer cleaning for any of those as well.

We know health is a top priority to you and your family, so we use only eco friendly, green cleaning products for your carpets, tile and hardwood floors, kitchens and bathrooms. We also offer pet stain and odor removal in addition to flood water restoration and carpet cleaning.

We know when there is water or flood damage to your home, you want a quick response. We offer the highest level of professional service. Phone calls and emails are returned promptly, generally same day, and we will arrive on time and within the estimated cost. We are proud to offer free estimates, so don't hesitate to call to see how we can help you today.
